

The Challenge.

Create the leaderboard and point tracking experience for a neighborhood cleanup app.

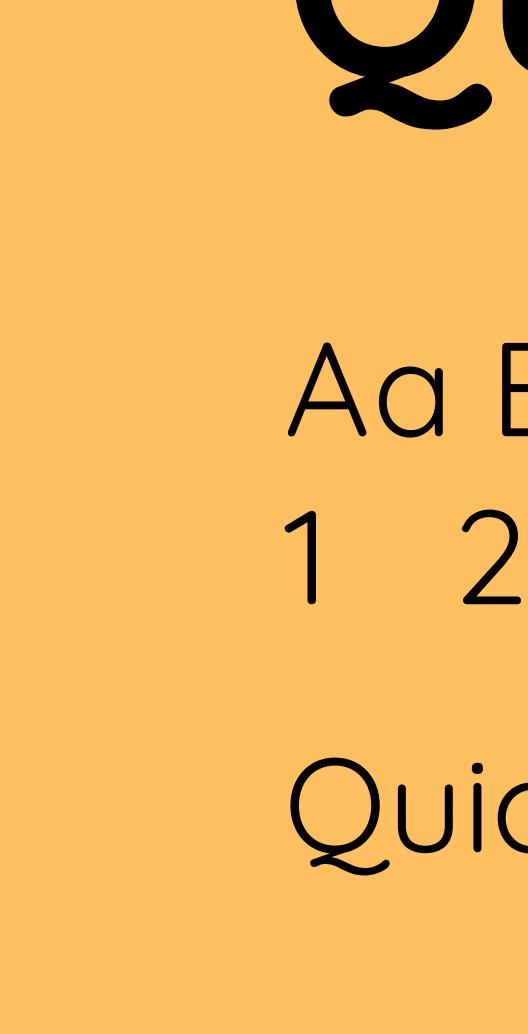

Goals.

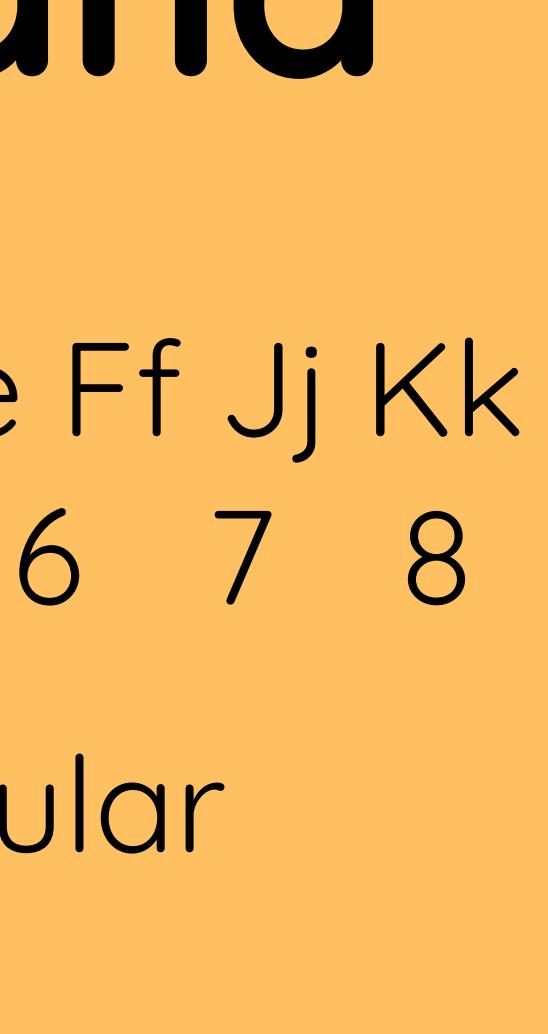

Through a leaderboard, we want to promote a sense of community cooperation and friendly competition.

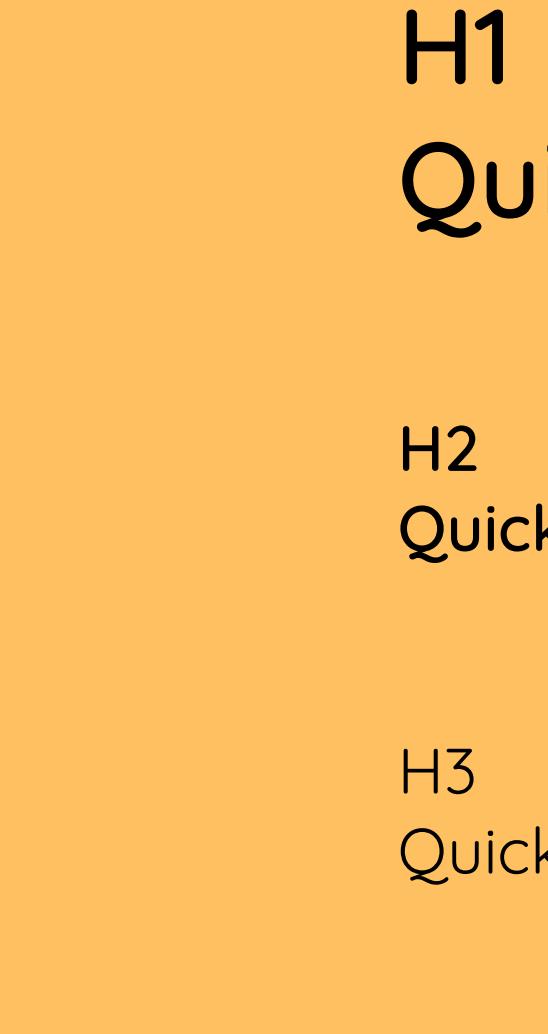

Colors.

#FFC061

#4BC48B

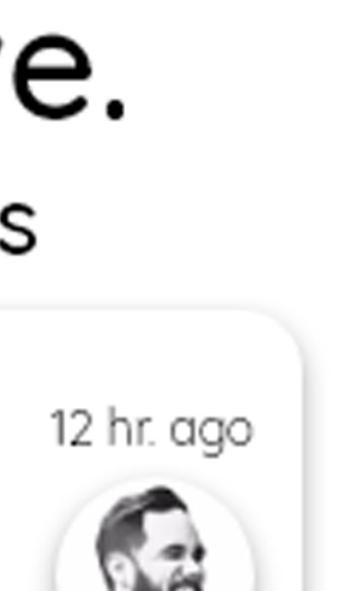

#6A6A6A

#000000

Icons.

Typography

Quicksand

Aa Bb Cc Dd Ee Ff Jj Kk Ll
1 2 3 4 5 6 7 8 9

Quicksand Regular

Quicksand Medium

Quicksand Bold

H1
Quicksand Medium 40 pt.

H2
Quicksand Medium 24 pt.

H3
Quicksand Regular 24 pt.

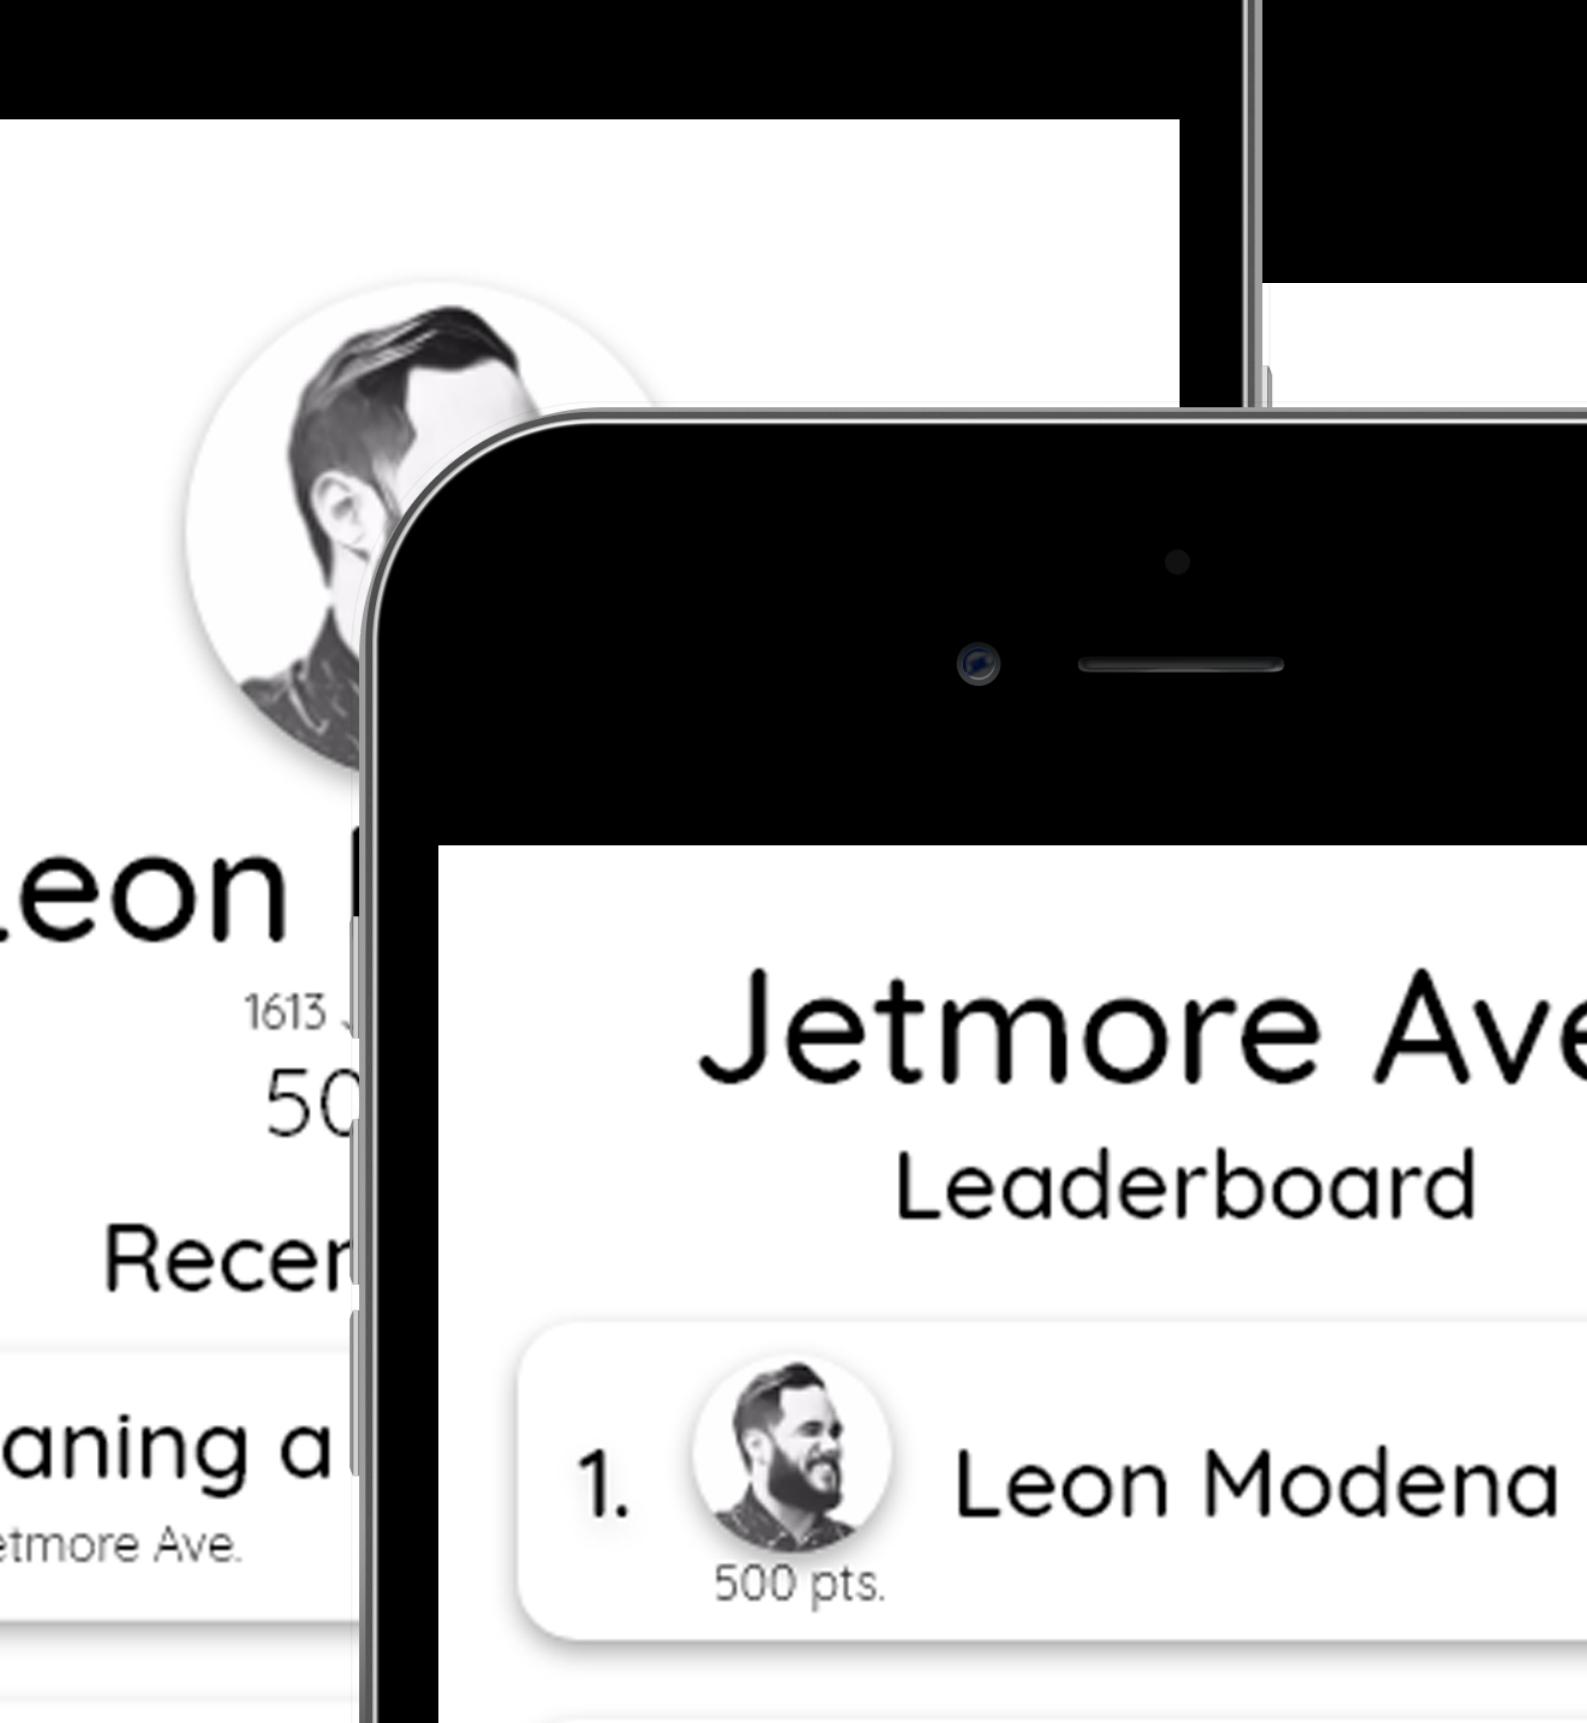

Subtext
Quicksand Regular 12 pt.

Nav
Quicksand Bold 12 pt.

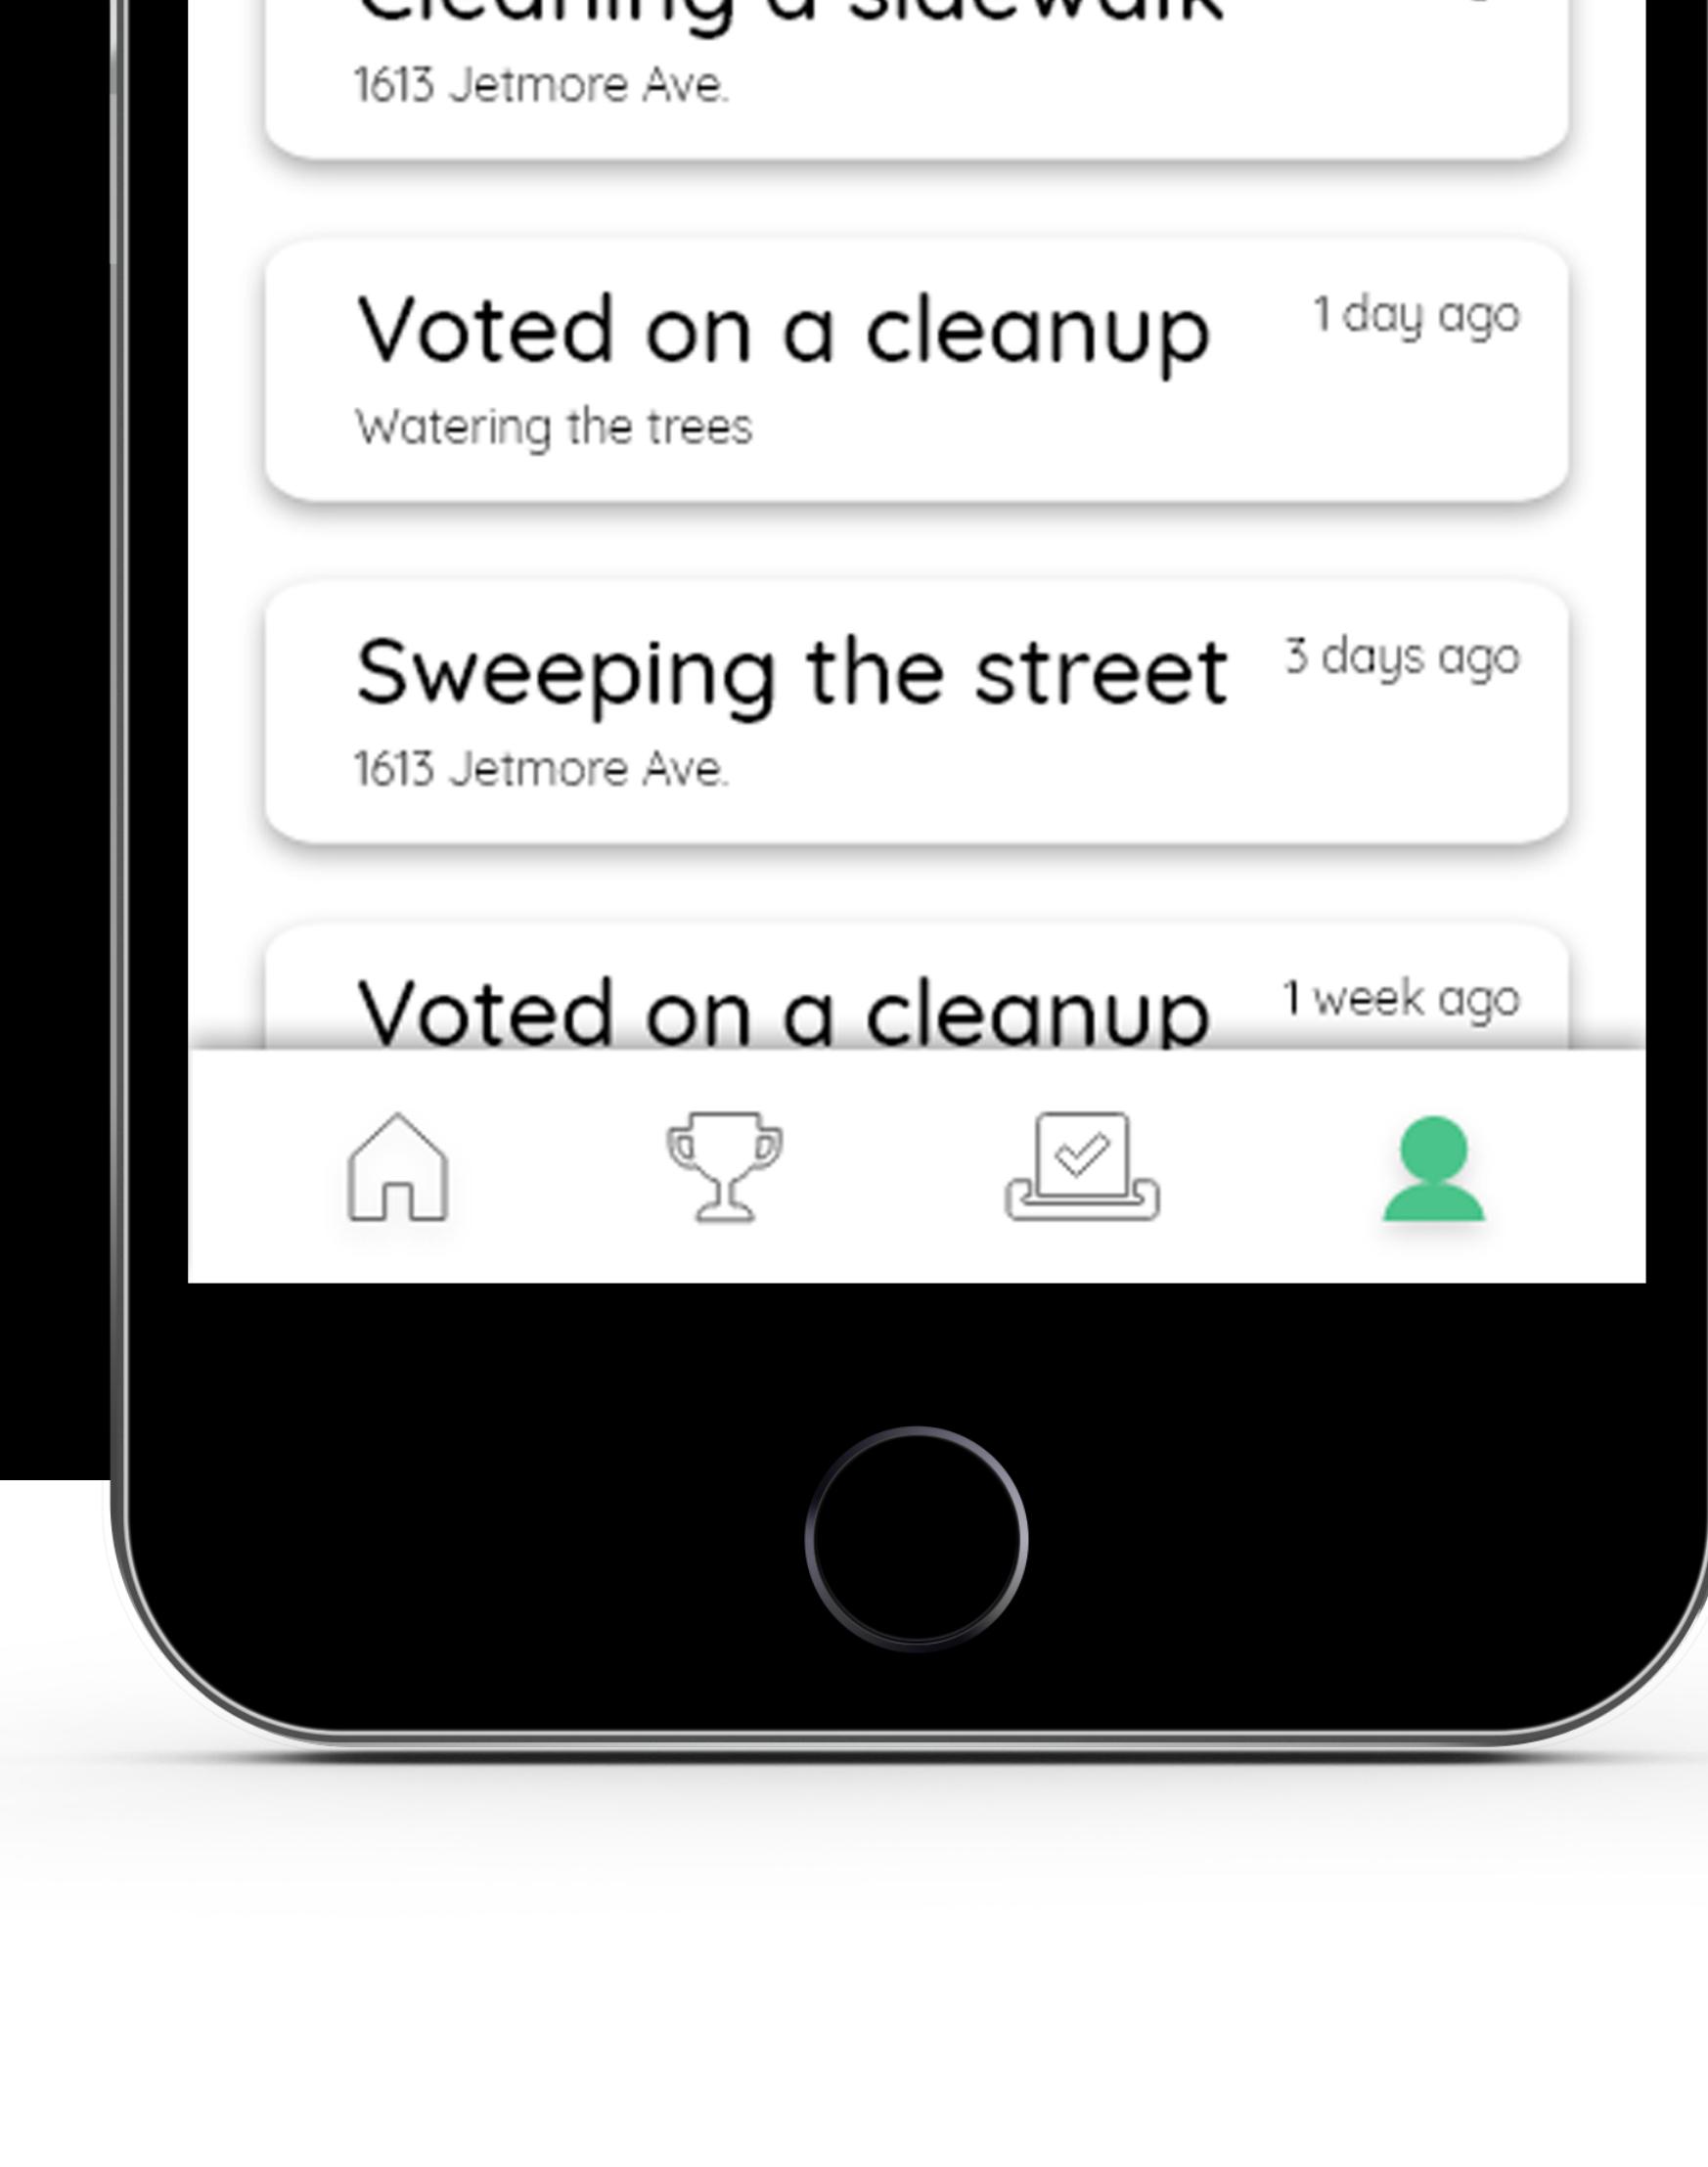

Friendly Competition.

By adding a voting system, cheating is discouraged and community members are encouraged to recognize their neighbor's efforts.

Thanks for Reading!

Challenges will continue to be uploaded on my website at michaelma.herokuapp.com

Keep Users in the Loop.

The leaderboard updates as cleanups are verified and users can see the recent changes.

Every screen shows users how active their community is.
